24 (B) the table of ad valorem tax rates for the most

27 defined by Section 49.001, Water Code.

1 (e) To the extent information required in the database is
2 otherwise collected or maintained by a state agency or special
3 purpose district, the comptroller may require the state agency or
4 special purpose district to provide that information and updates to
5 the information as necessary for inclusion in the database in the
6 form and manner prescribed by the comptroller. If the required
7 information is posted separately on an Internet website that the
8 state agency, comptroller, or special purpose district maintains or
9 causes to be maintained, the comptroller may include in the
10 database a direct link to, or a clear statement describing the
11 location of, the separately posted information instead of or in
12 addition to reproducing the information in the database.

13 SECTION 2. Section 140.008, Local Government Code, is
14 amended by amending Subsections (g) and (h) and adding Subsection
15 (i) to read as follows:

16 (g) Notwithstanding any other provision of this section, a
17 district, as defined by Section 49.001, Water Code, that is not a
18 district described by Section 403.0241(b), Government Code,
19 satisfies the requirements of this section if, on an annual basis,
20 the district:

21 (1) complies with the requirements of Subchapter G,
22 Chapter 49, Water Code, regarding audit reports, affidavits of
23 financial dormancy, and annual financial reports; and

24 (2) either:

25 (A) submits the financial documents described by
26 Subchapter G, Chapter 49, Water Code, to the comptroller in the form
27 and manner prescribed by the comptroller; or

1 (B) takes action to ensure that the financial
2 documents described by Subchapter G, Chapter 49, Water Code, are
3 made available at a regular office of the district for inspection by
4 any person and are posted continuously for public viewing on the
5 district's Internet website.

6 (h) The comptroller shall post the documents submitted to
7 the comptroller under Subsection (g) on the comptroller's Internet
8 website, to the extent that the documents as submitted to the
9 comptroller are in a form that facilitates compliance with
10 applicable technical accessibility standards and specifications
11 established in the electronic and information resources
12 accessibility policy adopted by the comptroller under other law.
13 If the comptroller determines that compliance with posting
14 requirements under this section imposes a significant difficulty or
15 expense on the district, the comptroller may provide individuals
16 with disabilities an alternate method of access as described by
17 Section 2054.460, Government Code, instead of posting the documents
18 on the comptroller's Internet website. The comptroller shall adopt
19 rules necessary to implement this subsection and Subsection (g).

20 (i) If information required to be posted by the comptroller
21 under this section is posted separately on an Internet website that
22 a state agency, the comptroller, or a political subdivision,
23 including a district as defined by Section 49.001, Water Code,
24 maintains or causes to be maintained, the comptroller may post on
25 the comptroller's Internet website a direct link to, or a clear
26 statement describing the location of, the separately posted
27 information instead of or in addition to reproducing the required

1 information on the comptroller's website, if that information is
2 easily located by searching the name of the political subdivision
3 or district on the Internet.

4 SECTION 3. The changes in law made by this Act apply only to
5 a report required to be made on or after the effective date of this
6 Act. A report required to be made before the effective date of this
7 Act is governed by the law as it existed immediately before the
8 effective date of this Act, and that law is continued in effect for
9 that purpose.

10 SECTION 4. This Act takes effect September 1, 2019.
