

AN ACT

relating to authorizing a health and wellness center fee at the University of Houston-Victoria.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF TEXAS:

SECTION 1. Subchapter E, Chapter 54, Education Code, is amended by adding Section 54.5406 to read as follows:

Sec. 54.5406. HEALTH AND WELLNESS CENTER FEE; UNIVERSITY OF HOUSTON-VICTORIA. (a) The board of regents of the University of Houston System may charge each student enrolled at the University of Houston-Victoria a health and wellness center fee. The fee may be used only for the purpose of financing, constructing, operating, maintaining, improving, and equipping a health and wellness center at the University of Houston-Victoria. A fee charged under this section is in addition to any use or service fee authorized to be charged under other law.

(b) The health and wellness center fee may not be charged unless the charging of the fee is approved by a majority vote of the students enrolled at the university participating in a general student election held for that purpose.

(c) The amount of a fee charged under this section may not exceed:

- (1) \$150 per student for each regular semester;
- (2) \$100 per student for each summer session of 10 weeks or longer; or

1           (3) \$50 per student for each summer session of less  
2 than 10 weeks.

3           (d) Revenue from a fee charged under this section shall be  
4 deposited to the credit of an account known as the University of  
5 Houston-Victoria Health and Wellness Center Fee Account under the  
6 control of the university's student fee advisory committee.  
7 Annually, the committee shall submit to the president of the  
8 university its recommendation for any change to the amount of the  
9 fee and a complete and itemized budget for the health and wellness  
10 center together with a complete report of all health and wellness  
11 center activities conducted during the past year and all  
12 expenditures made in connection with those activities. The  
13 president shall submit the budget to the board of regents as part of  
14 the university's institutional budget. The board of regents may  
15 make changes in the budget that the board determines are necessary.

16           (e) The board of regents may increase the amount of a fee  
17 charged under this section, except that a fee increase by 10 percent  
18 or more of the amount of the fee charged during the preceding  
19 academic year must be approved by a majority vote of students  
20 enrolled at the university participating in a general student  
21 election held for that purpose. The ballot proposition for an  
22 election under this subsection must clearly state the amount of the  
23 proposed fee increase and describe the reason for the proposed fee  
24 increase.

25           (f) The health and wellness center fee is not considered in  
26 determining the maximum amount of student services fees that may be  
27 charged under Section [54.503](#).

1        (g) For purposes of determining whether to waive the  
2 imposition of the fee as provided under Section 54.5035, a student  
3 is not reasonably able to use the health and wellness center for  
4 which a fee is imposed under this section if the student lives more  
5 than 50 miles outside the corporate limits of Victoria, Texas.

6        SECTION 2. This Act takes effect immediately if it receives  
7 a vote of two-thirds of all the members elected to each house, as  
8 provided by Section 39, Article III, Texas Constitution. If this  
9 Act does not receive the vote necessary for immediate effect, this  
10 Act takes effect September 1, 2019.
