22       (b) The local provider participation fund of a county  
23 consists of:

24           (1) all revenue received by the county attributable to  
25 mandatory payments authorized under this chapter, including any  
26 penalties and interest attributable to delinquent payments;

27           (2) money received from the Health and Human Services

1 Commission as a refund of an intergovernmental transfer from the  
2 county to the state for the purpose of providing the nonfederal  
3 share of Medicaid supplemental payment program payments, provided  
4 that the intergovernmental transfer does not receive a federal  
5 matching payment; and

6 (3) the earnings of the fund.

7 (c) Money deposited to the local provider participation  
8 fund may be used only to:

9 (1) fund intergovernmental transfers from the county  
10 to the state to provide:

11 (A) the nonfederal share of a Medicaid  
12 supplemental payment program authorized under the state Medicaid  
13 plan, the Texas Healthcare Transformation and Quality Improvement  
14 Program waiver issued under Section 1115 of the federal Social

27 payments.

1 (d) Money deposited to the local provider participation  
2 fund may not be used to pay for the services of a consultant or a  
3 person required to register under Chapter 305, Government Code.

4 (e) Money in the local provider participation fund may not  
5 be commingled with other county funds.

6 (f) An intergovernmental transfer of funds described by  
7 Subsection (c)(1) and any funds received by the county as a result

9 not be used by the county or any other entity to expand Medicaid  
10 eligibility under the Patient Protection and Affordable Care Act  
11 (Pub. L. No. 111-148) as amended by the Health Care and Education  
12 Reconciliation Act of 2010 (Pub. L. No. 111-152).

13 SUBCHAPTER D. MANDATORY PAYMENTS

14 Sec. 292C.151. MANDATORY PAYMENTS BASED ON PAYING HOSPITAL  
15 NET PATIENT REVENUE. (a) Except as provided by Subsection (e), the  
16 commissioners court of a county that collects a mandatory payment  
17 authorized under this chapter may require an annual mandatory  
18 payment to be assessed on the net patient revenue of each  
19 institutional health care provider located in the county. The  
20 commissioners court may provide for the mandatory payment to be  
21 assessed quarterly. In the first year in which the mandatory  
22 payment is required, the mandatory payment is assessed on the net  
23 patient revenue of an institutional health care provider as  
24 determined by the data reported to the Department of State Health  
25 Services under Sections 311.032 and 311.033 in the fiscal year  
26 ending in 2017 or, if the institutional health care provider did not  
27 report any data under those sections in that fiscal year, as

1 determined by the institutional health care provider's Medicare  
2 cost report submitted for the 2017 fiscal year or for the closest  
3 subsequent fiscal year for which the provider submitted the  
4 Medicare cost report. The county shall update the amount of the  
5 mandatory payment on an annual basis.

6 (b) The amount of a mandatory payment authorized under this  
7 chapter must be uniformly proportionate with the amount of net  
8 patient revenue generated by each paying hospital in the county. A  
9 mandatory payment authorized under this chapter may not hold  
10 harmless any institutional health care provider, as required under  
11 42 U.S.C. Section 1396b(w).

12 (c) The commissioners court of a county that collects a  
13 mandatory payment authorized under this chapter shall set the  
14 amount of the mandatory payment. The amount of the mandatory  
15 payment required of each paying hospital may not exceed six percent  
16 of the paying hospital's net patient revenue.

17 (d) Subject to the maximum amount prescribed by Subsection  
18 (c), the commissioners court of a county that collects a mandatory  
19 payment authorized under this chapter shall set the mandatory  
20 payments in amounts that in the aggregate will generate sufficient  
21 revenue to cover the administrative expenses of the county for  
22 activities under this chapter and to fund an intergovernmental  
23 transfer described by Section 292C.103(c)(1), except that the  
24 amount of revenue from mandatory payments used for administrative  
25 expenses of the county for activities under this chapter in a year  
26 may not exceed \$20,000, plus the cost of collateralization of  
27 deposits. If the county demonstrates to the paying hospitals that

1 the costs of administering the program under this chapter,  
2 excluding those costs associated with the collateralization of  
3 deposits, exceed \$20,000 in any year, on consent of a majority of  
4 the paying hospitals, the county may use additional revenue from  
5 mandatory payments received under this chapter to compensate the  
6 county for its administrative expenses. A paying hospital may not  
7 unreasonably withhold consent to compensate the county for  
8 administrative expenses.

9 (e) A paying hospital may not add a mandatory payment  
10 required under this section as a surcharge to a patient.

11 Sec. 292C.152. ASSESSMENT AND COLLECTION OF MANDATORY  
12 PAYMENTS. The county may collect or contract for the assessment and  
13 collection of mandatory payments authorized under this chapter.

14 Sec. 292C.153. INTEREST, PENALTIES, AND DISCOUNTS.  
15 Interest, penalties, and discounts on mandatory payments required  
16 under this chapter are governed by the law applicable to county ad  
17 valorem taxes.

18 Sec. 292C.154. PURPOSE; CORRECTION OF INVALID PROVISION OR  
19 PROCEDURE. (a) The purpose of this chapter is to generate revenue  
20 by collecting from institutional health care providers a mandatory  
21 payment to be used to provide the nonfederal share of a Medicaid  
22 supplemental payment program.

23 (b) To the extent any provision or procedure under this  
24 chapter causes a mandatory payment authorized under this chapter to  
25 be ineligible for federal matching funds, the county may provide by  
26 rule for an alternative provision or procedure that conforms to the  
27 requirements of the federal Centers for Medicare and Medicaid

1 Services.

2           SECTION 2. As soon as practicable after the expiration of  
3 the authority of a county to administer and operate a health care  
4 provider participation program under Chapter 292C, Health and  
5 Safety Code, as added by this Act, the commissioners court of the  
6 county shall transfer to the institutional health care providers in  
7 the county a proportionate share of any remaining funds in any local  
8 provider participation fund created by the county under Section  
9 292C.103, Health and Safety Code, as added by this Act.

10           SECTION 3. If before implementing any provision of this Act  
11 a state agency determines that a waiver or authorization from a  
12 federal agency is necessary for implementation of that provision,  
13 the agency affected by the provision shall request the waiver or  
14 authorization and may delay implementing that provision until the  
15 waiver or authorization is granted.

16           SECTION 4. This Act takes effect immediately if it receives  
17 a vote of two-thirds of all the members elected to each house, as  
18 provided by Section 39, Article III, Texas Constitution. If this  
19 Act does not receive the vote necessary for immediate effect, this  
20 Act takes effect September 1, 2019.
