H.B. No. 4183

A BILL TO BE ENTITLED

1 AN ACT

2 relating to addressing adverse childhood experiences and
3 developing a strategic plan to address those experiences.

4 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF TEXAS:

5 SECTION 1. Subchapter B, Chapter 531, Government Code, is
6 amended by adding Section 531.0222 to read as follows:

7 Sec. 531.0222. COORDINATION TO ADDRESS ADVERSE CHILDHOOD
8 EXPERIENCES; PROGRESS REPORT AND STRATEGIC PLAN. (a) In this
9 section, "adverse childhood experience" includes:

- 10 (1) abuse as defined by Section 261.001, Family Code;
11 (2) neglect as defined by Section 261.001, Family
12 Code;
13 (3) family violence as defined by Section 71.004,
14 Family Code;
15 (4) death of a parent;
16 (5) parental separation or divorce; and
17 (6) substance use disorder, mental illness, or
18 incarceration of a member of a child's household.

19 (b) A program, service, or support established under this
20 section may not include sex education.

21 (c) In order to reduce exposure of children in this state to
22 adverse childhood experiences and to address the social, health,
23 and economic impacts of those experiences, the commission, in
24 collaboration with the Department of Family and Protective

1 Services, the Department of State Health Services, the Texas
2 Education Agency, the Texas Workforce Commission, the office of the
3 attorney general, the Texas Juvenile Justice Department, and an
4 institution of higher education, as defined by Section 61.003,
5 Education Code, with expertise in addressing adverse childhood
6 experiences through a public health framework shall:

7 (1) analyze data related to the causes and effects of
8 adverse childhood experiences, including data from the Behavioral
9 Risk Factor Surveillance System established by the Centers for
10 Disease Control and Prevention of the United States Public Health
11 Service;

12 (2) evaluate prevention needs and gaps in services and
13 support regarding awareness, assessments, and interventions
14 addressing adverse childhood experiences;

15 (3) identify methods to incorporate best practices for
16 preventing and treating adverse childhood experiences into
17 existing services and support programs offered for children and
18 families; and

19 (4) develop and implement a five-year strategic plan
20 to prevent and address adverse childhood experiences.

21 (d) In developing the five-year strategic plan under
22 Subsection (c)(4), the commission may collaborate with
23 representatives of:

24 (1) state and local agencies and nonprofit
25 organizations that work directly with children and families;

26 (2) child welfare services providers;

27 (3) early childhood education programs;

- 1 (4) public schools;
 - 2 (5) medical and mental health services providers;
 - 3 (6) family support and social services providers;
 - 4 (7) the law enforcement, judicial, and criminal
5 justice communities;
 - 6 (8) faith-based organizations;
 - 7 (9) the intellectual or developmental disability
8 community;
 - 9 (10) families and children impacted by adverse
10 childhood experiences; and
 - 11 (11) the business and philanthropic communities.
- 12 (e) The strategic plan must incorporate a public health
13 approach that promotes collaboration between agencies and
14 community-based providers. The strategic plan may include
15 strategies to:
- 16 (1) train and educate professionals to assess,
17 intervene, and prevent adverse childhood experiences;
 - 18 (2) provide trauma-informed practices for families,
19 children, and providers impacted by adverse childhood experiences;
 - 20 (3) provide high quality child care;
 - 21 (4) provide support to parents to develop social and
22 economic independence;
 - 23 (5) provide support to strengthen the engagement of
24 fathers in their children's lives and establish paternity;
 - 25 (6) incorporate voluntary, evidence-based home
26 visiting programs to strengthen families and to connect families to
27 community resources;

1 (7) develop parental support programs for teen parents
2 and young mothers;

3 (8) develop parental education training and
4 counseling programs;

5 (9) identify best practices for child protective
6 services and investigations;

7 (10) prevent and treat mental illness and substance
8 use disorder;

9 (11) prevent family violence; and

10 (12) prevent chronic diseases related to adverse
11 childhood experiences.

12 (f) The entities listed in Subsection (c) shall develop a
13 community awareness approach to implement the strategies and
14 recommendations in the strategic plan required under Subsection
15 (c)(4).

16 (g) The entities listed in Subsection (c) shall publish the
17 five-year strategic plan required by Subsection (c)(4) on their
18 respective Internet websites.

19 SECTION 2. Not later than March 1, 2020, the Health and
20 Human Services Commission shall develop a progress report to
21 include data, best practices, and implementable changes within the
22 commission's current capacity.

23 SECTION 3. Not later than December 31, 2020, the Health and
24 Human Services Commission shall:

25 (1) develop the five-year strategic plan required by
26 Section 531.0222(c)(4), Government Code, as added by this Act; and

27 (2) submit a report to the Senate Health and Human

1 Services Committee, the Senate Education Committee, the Senate
2 Criminal Justice Committee, the House Public Education Committee,
3 the House Juvenile Justice and Family Issues Committee, the House
4 Public Health Committee, and the House Human Services Committee
5 regarding the commission's strategies for preventing and treating
6 adverse childhood experiences and any plan to incorporate those
7 strategies into existing services and support programs for children
8 and families.

9 SECTION 4. This Act takes effect September 1, 2019.
