24 status as a significant traditional provider.

25 (h) [(f) For each pilot program service provider, the  
26 department shall develop and implement a pilot program.] Under the  
27 [a] pilot program, a participating managed care organization [~~the~~

6 collaboration with the advisory committee and pilot program  
7 workgroup, shall analyze information provided by the managed care  
8 organizations participating in the pilot program ~~[service~~  
9 ~~providers]~~ and any information collected by the commission  
10 ~~[department]~~ during the operation of the pilot program ~~[programs]~~  
11 for purposes of making a recommendation about a system of programs  
12 and services for implementation through future state legislation or  
13 rules.

14 (j) ~~[(h)]~~ The analysis under Subsection (i) ~~[(g)]~~ must  
15 include an assessment of the effect of the managed care strategies  
16 implemented in the pilot program ~~[programs]~~ on the goals described  
17 by this section [+

18 [~~(1) access to long-term services and supports,~~

19 [~~(2) the quality of acute care services and long-term~~  
20 ~~services and supports,~~

21 [~~(3) meaningful outcomes using person-centered~~  
22 ~~planning, individualized budgeting, and self-determination,~~  
23 ~~including a person's inclusion in the community,~~

24 [~~(4) the integration of service coordination of acute~~  
25 ~~care services and long-term services and supports,~~

26 [~~(5) the efficiency and use of funding,~~

27 [~~(6) the placement of individuals in housing that is~~

1 ~~the least restrictive setting appropriate to an individual's needs,~~  
2 ~~[(7) employment assistance and customized,~~  
3 ~~integrated, competitive employment options, and~~  
4 ~~[(8) the number and types of fair hearing and appeals~~  
5 ~~processes in accordance with applicable federal law].~~

6 (k) Before implementing the pilot program, the commission,  
7 in consultation and collaboration with the advisory committee and  
8 pilot program workgroup, shall develop and implement a process to  
9 ensure pilot program participants remain eligible for Medicaid  
10 benefits for 12 consecutive months during the pilot program.
