1 Sec. 298F.101. HEARING. (a) In each year that the board
2 authorizes a program under this chapter, the board shall hold a
3 public hearing on the amounts of any mandatory payments that the
4 board intends to require during the year and how the revenue derived
5 from those payments is to be spent.

6 (b) Not later than the fifth day before the date of the
7 hearing required under Subsection (a), the board shall publish
8 notice of the hearing in a newspaper of general circulation in the
9 district and provide written notice of the hearing to each paying
10 provider in the district.

12 appear at the public hearing and be heard regarding any matter
13 related to the mandatory payments authorized under this chapter.

14 Sec. 298F.102. DEPOSITORY. (a) If the board requires a

22 payment authorized under this chapter, the district shall create a
23 local provider participation fund.

24 (b) The local provider participation fund consists of:

25 (1) all revenue received by the district attributable
26 to mandatory payments authorized under this chapter;

27 (2) money received from the Health and Human Services

1 Commission as a refund of an intergovernmental transfer under the
2 program, provided that the intergovernmental transfer does not
3 receive a federal matching payment; and

4 (3) the earnings of the fund.

5 (c) Money deposited to the local provider participation
6 fund of the district may be used only to:

7 (1) fund intergovernmental transfers from the
8 district to the state to provide the nonfederal share of Medicaid
9 payments for:

10 (A) uncompensated care payments to nonpublic
11 hospitals, if those payments are authorized under the Texas
12 Healthcare Transformation and Quality Improvement Program waiver
13 issued under Section 1115 of the federal Social Security Act (42
14 U.S.C. Section 1315);

15 (B) payments to nonpublic hospitals available

7 Commission that is not used to fund the nonfederal share of Medicaid
8 supplemental payment program payments; or

9 (B) determines cannot be used to fund the
10 nonfederal share of Medicaid supplemental payment program
11 payments; and

12 (5) transfer funds to the Health and Human Services
13 Commission if the district is legally required to transfer the
14 funds to address a disallowance of federal matching funds with
15 respect to programs for which the district made intergovernmental
16 transfers described by Subdivision (1).

17 (d) Money in the local provider participation fund may not
18 be commingled with other district funds.

19 (e) Notwithstanding any other provision of this chapter,
20 with respect to an intergovernmental transfer of funds described by
21 Subsection (c)(1) made by the district, any funds received by the
22 state, district, or other entity as a result of that transfer may
23 not be used by the state, district, or any other entity to expand
24 Medicaid eligibility under the Patient Protection and Affordable
25 Care Act (Pub. L. No. 111-148) as amended by the Health Care and
26 Education Reconciliation Act of 2010 (Pub. L. No. 111-152).

27 SUBCHAPTER D. MANDATORY PAYMENTS

1 Sec. 298F.151. MANDATORY PAYMENTS BASED ON PAYING PROVIDER
2 NET PATIENT REVENUE. (a) If the board authorizes a health care
3 provider participation program under this chapter, the board may
4 require an annual mandatory payment to be assessed on the net
5 patient revenue of each institutional health care provider located
6 in the district. The board may provide for the mandatory payment to
7 be assessed periodically throughout the year. The board shall
8 provide an institutional health care provider written notice of
9 each assessment under this subsection, and the provider has 30
10 calendar days following the date of receipt of the notice to pay the
11 assessment. In the first year in which the mandatory payment is
12 required, the mandatory payment is assessed on the net patient
13 revenue of an institutional health care provider, which is the
14 amount of that revenue as reported in the provider's Medicare cost
15 report submitted for the previous fiscal year or for the closest
16 subsequent fiscal year for which the provider submitted the
17 Medicare cost report. If the mandatory payment is required, the
18 district shall update the amount of the mandatory payment on an
19 annual basis.

20 (b) The amount of a mandatory payment authorized under this
21 chapter must be uniformly proportionate with the amount of net
22 patient revenue generated by each paying provider in the district
23 as permitted under federal law. A health care provider
24 participation program authorized under this chapter may not hold
25 harmless any institutional health care provider, as required under
26 42 U.S.C. Section 1396b(w).

27 (c) If the board requires a mandatory payment authorized

1 under this chapter, the board shall set the amount of the mandatory
2 payment, subject to the limitations of this chapter. The aggregate
3 amount of the mandatory payments required of all paying providers
4 in the district may not exceed six percent of the aggregate net
5 patient revenue from hospital services provided by all paying
6 providers in the district.

7 (d) Subject to Subsection (c), if the board requires a
8 mandatory payment authorized under this chapter, the board shall
9 set the mandatory payments in amounts that in the aggregate will
10 generate sufficient revenue to cover the administrative expenses of
11 the district for activities under this chapter and to fund an
12 intergovernmental transfer described by Section 298F.103(c)(1).
13 The annual amount of revenue from mandatory payments that shall be
14 paid for administrative expenses of the program by the district may
15 not exceed 2.5 percent of the total revenue generated from the
16 mandatory payments, regardless of actual expenses.

17 (e) A paying provider may not add a mandatory payment
18 required under this section as a surcharge to a patient.

19 (f) A mandatory payment assessed under this chapter is not a
20 tax for hospital purposes for purposes of Section 4, Article IX,
21 Texas Constitution, or Section 281.045 of this code.

22 Sec. 298F.152. ASSESSMENT AND COLLECTION OF MANDATORY
23 PAYMENTS. (a) The district may designate an official of the
24 district or contract with another person to assess and collect the
25 mandatory payments authorized under this chapter.

26 (b) The person charged by the district with the assessment
27 and collection of mandatory payments shall charge and deduct from

1 the mandatory payments collected for the district a collection fee
2 in an amount not to exceed the person's usual and customary charges
3 for like services.

4 (c) If the person charged with the assessment and collection
5 of mandatory payments is an official of the district, any revenue
6 from a collection fee charged under Subsection (b) shall be
7 deposited in the district general fund and, if appropriate, shall
8 be reported as fees of the district.

9 Sec. 298F.153. PURPOSE; CORRECTION OF INVALID PROVISION OR
10 PROCEDURE; LIMITATION OF AUTHORITY. (a) The purpose of this chapter
11 is to authorize the district to establish a program to enable the
12 district to collect mandatory payments from institutional health
13 care providers to fund the nonfederal share of a Medicaid
14 supplemental payment program or the Medicaid managed care rate
15 enhancements for nonpublic hospitals to support the provision of
16 health care by institutional health care providers to district
17 residents in need of health care.

18 (b) This chapter does not authorize the district to collect
19 mandatory payments for the purpose of raising general revenue or
20 any amount in excess of the amount reasonably necessary to fund the
21 nonfederal share of a Medicaid supplemental payment program or
22 Medicaid managed care rate enhancements for nonpublic hospitals and
23 to cover the administrative expenses of the district associated
24 with activities under this chapter and other amounts for which the
25 fund may be used as described by Section 298F.103(c).

26 (c) To the extent any provision or procedure under this
27 chapter causes a mandatory payment authorized under this chapter to

1 be ineligible for federal matching funds, the board may provide by
2 rule for an alternative provision or procedure that conforms to the
3 requirements of the federal Centers for Medicare and Medicaid
4 Services. A rule adopted under this section may not create, impose,
5 or materially expand the legal or financial liability or
6 responsibility of the district or an institutional health care
7 provider in the district beyond the provisions of this chapter.
8 This section does not require the board to adopt a rule.

9 (d) The district may only assess and collect a mandatory
10 payment authorized under this chapter if a waiver program, uniform
11 rate enhancement, or reimbursement described by Section
12 298F.103(c)(1) is available to the district.

13 SECTION 2. As soon as practicable after the expiration of
14 the authority of the Bexar County Hospital District to administer
15 and operate a health care provider participation program under
16 Chapter 298F, Health and Safety Code, as added by this Act, the
17 board of hospital managers of the Bexar County Hospital District
18 shall transfer to each institutional health care provider in the
19 district that provider's proportionate share of any remaining funds
20 in any local provider participation fund created by the district
21 under Section 298F.103, Health and Safety Code, as added by this
22 Act.

23 SECTION 3. If before implementing any provision of this Act
24 a state agency determines that a waiver or authorization from a
25 federal agency is necessary for implementation of that provision,
26 the agency affected by the provision shall request the waiver or
27 authorization and may delay implementing that provision until the

1 waiver or authorization is granted.

2 SECTION 4. This Act takes effect immediately if it receives
3 a vote of two-thirds of all the members elected to each house, as
4 provided by Section 39, Article III, Texas Constitution. If this
5 Act does not receive the vote necessary for immediate effect, this
6 Act takes effect September 1, 2019.
