26 the Medicare cost report.

27 SUBCHAPTER C. GENERAL FINANCIAL PROVISIONS

1 Sec. 298G.101. HEARING. (a) In each year that the board
2 authorizes a program under this chapter, the board shall hold a
3 public hearing on the amounts of any mandatory payments that the
4 board intends to require during the year and how the revenue derived
5 from those payments is to be spent.

6 (b) Not later than the fifth day before the date of the
7 hearing required under Subsection (a), the board shall publish
8 notice of the hearing in a newspaper of general circulation in the
9 district.

10 (c) A representative of a paying provider is entitled to
11 appear at the public hearing and be heard regarding any matter
12 related to the mandatory payments authorized under this chapter.

13 Sec. 298G.102. DEPOSITORY. (a) If the board requires a
14 mandatory payment authorized under this chapter, the board shall
15 designate one or more banks as a depository for the district's local
16 provider participation fund.

18 in the manner provided for securing other district funds.

19 Sec. 298G.103. LOCAL PROVIDER PARTICIPATION FUND;
20 AUTHORIZED USES OF MONEY.

21 (a) If the district requires a mandatory payment authorized
22 under this chapter, the district shall create a local provider
23 participation fund.

24 (b) The local provider participation fund consists of:

25 (1) all revenue received by the district attributable
26 to mandatory payments authorized under this chapter;

27 (2) money received from the Health and Human Services

1 Commission as a refund of an intergovernmental transfer under the
2 program, provided that the intergovernmental transfer does not
3 receive a federal matching payment; and

4 (3) the earnings of the fund.

5 (c) Money deposited to the local provider participation
6 fund of the district may be used only to:

7 (1) fund intergovernmental transfers from the
8 district to the state to provide the nonfederal share:

9 (A) any Medicaid payment to nonpublic hospitals
10 or physicians contracted to provide services at the nonpublic
11 hospitals;

12 (B) any payment to nonpublic hospitals, if those
13 payments are authorized under the Texas Healthcare Transformation
14 and Quality Improvement Program waiver issued under Section 1115 of
15 the federal Social Security Act (42 U.S.C. Section 1315);

16 (C) uniform rate enhancements for nonpublic
17 hospitals in the Medicaid managed care service area in which the
18 district is located;

8 of the money that the district:

9 (A) receives from the Health and Human Services
10 Commission that is not used to fund the nonfederal share of Medicaid
11 payments; or

12 (B) determines cannot be used to fund the
13 nonfederal share of Medicaid supplemental payment program
14 payments; and

15 (6) transfer funds to the Health and Human Services
16 Commission if the district is legally required to transfer funds to
17 address a disallowance of federal matching funds with respect to
18 programs for which the district made intergovernmental transfers
19 described by Subdivision (1).

20 (d) Money in the local provider participation fund may not
21 be commingled with other district funds.

22 (e) Notwithstanding any other provision of this chapter,
23 with respect to an intergovernmental transfer of funds described by
24 Subsection (c)(1) made by the district, any funds received by the
25 state, district, or other entity as a result of the transfer may not
26 be used by the state, district, or any other entity to
27 expand Medicaid eligibility under the Patient Protection and

1 Affordable Care Act (Pub. L. No. 111-148) as amended by the Health
2 Care and Education Reconciliation Act of 2010 (Pub. L.
3 No. 111-152).

4 SUBCHAPTER D. MANDATORY PAYMENTS

5 Sec. 298G.151 MANDATORY PAYMENTS BASED ON PAYING PROVIDER
6 NET PATIENT REVENUE.

7 (a) If the board authorizes a health care provider
8 participation program under this chapter, the board may require a
9 mandatory payment to be assessed on the net patient revenue of each
10 institutional health care provider located in the district. The
11 board may provide for the mandatory payment to be assessed
12 periodically throughout the year; provided, however, that
13 institutional health care providers shall have thirty (30) calendar
14 days upon receipt of written notice from the district to make any
15 mandatory payment. In the first year in which the mandatory payment
16 is required, the mandatory payment is assessed on the net patient
17 revenue of an institutional health care provider as determined by
18 the institutional health care provider's copy of its Medicare cost
19 report for the previous fiscal year or for the closest subsequent
20 fiscal year for which the institutional health care provider
21 submitted the Medicare cost report.

22 (b) The amount of a mandatory payment authorized under this
23 chapter must be uniformly proportionate with the amount of net
24 patient revenue generated by each paying provider in the district
25 as permitted under federal law. A health care provider
26 participation program authorized under this chapter may not hold
27 harmless any paying provider, as required under 42 U.S.C. Section

1 1396b(w).

2 (c) If the board requires a mandatory payment authorized
3 under this chapter, the board shall set the amount of the mandatory
4 payment, subject to the limitations of this chapter. The aggregate
5 amount of the mandatory payments required of all paying providers
6 in the district may not exceed six percent of the aggregate net
7 patient revenue from hospital services provided by all paying
8 providers in the district.

9 (d) Subject to Subsection (c), if the board requires a
10 mandatory payment authorized under this chapter, the board shall
11 set the mandatory payments in amounts that in the aggregate will
12 generate sufficient revenue to cover the administrative expenses of
13 the district for activities under this chapter and to fund an
14 intergovernmental transfer described by Section _____.103(c)(1). The
15 annual amount of revenue from mandatory payments that shall be paid
16 for administrative expenses of the program by the district may not
17 exceed two-and-a-half percent (2.5%) of the total revenue generated
18 from the mandatory payments, regardless of actual expense.

19 (e) A paying provider may not add a mandatory payment
20 required under this section as a surcharge to a patient.

21 (f) A mandatory payment assessed under this chapter is not a
22 tax for hospital purposes for purposes of Section 4, Article IX,
23 Texas Constitution, or Section 281.045.

24 Sec. 298G.152. ASSESSMENT AND COLLECTION OF MANDATORY
25 PAYMENTS. (a) The district may designate an official of the
26 district or contract with another person to assess and collect the
27 mandatory payments authorized under this chapter.

1 (b) The person charged by the district with the assessment
2 and collection of mandatory payments shall charge and deduct from
3 the mandatory payments collected for the district a collection fee
4 in an amount not to exceed the person's usual and customary charges
5 for like services.

6 (c) If the person charged with the assessment and collection
7 of mandatory payments is an official of the district, any revenue
8 from a collection fee charged under Subsection (b) shall be
9 deposited in the district general fund and, if appropriate, shall
10 be reported as fees of the district.

11 Sec. 298G.153. PURPOSE; CORRECTION OF INVALID PROVISION OR
12 PROCEDURE; LIMITATION OF AUTHORITY. (a) The purpose of this chapter
13 is to authorize the district to establish a program to enable the
14 district to collect mandatory payments from institutional health
15 care providers to fund the nonfederal share of a Medicaid
16 supplemental payment program or the Medicaid managed care rate
17 enhancements for nonpublic hospitals to support the provision of
18 health care by institutional health care providers to district
19 residents in need of health care.

20 (b) This chapter does not authorize the district to collect
21 mandatory payments for the purpose of raising general revenue or
22 any amount in excess of the amount reasonably necessary to fund the
23 nonfederal share of a Medicaid supplemental payment program or
24 Medicaid managed care rate enhancements for nonpublic hospitals and
25 to cover the administrative expenses of the district associated
26 with activities under this chapter and other amounts for which the
27 fund may be used as described by Section 298G.103(c).

1 (c) To the extent any provision or procedure under this
2 chapter causes a mandatory payment authorized under this chapter to
3 be ineligible for federal matching funds, the board may provide by
4 rule for an alternative provision or procedure that conforms to the
5 requirements of the federal Centers for Medicare and Medicaid
6 Services. A rule adopted under this section may not create, impose,
7 or materially expand the legal or financial liability or
8 responsibility of the district or an institutional health care
9 provider in the district beyond the provisions of this chapter.
10 This section does not require the board to adopt a rule.

11 (d) The district may only assess and collect a mandatory
12 payment authorized under this chapter if a waiver program, uniform
13 rate enhancement, or reimbursement described by Section
14 298G.103(c)(1) is available to the district.

15 SECTION 2. As soon as practicable after the expiration of
16 the authority of the El Paso County Hospital District to administer
17 and operate a health care provider participation program under
18 Chapter 298G, Health and Safety Code, as added by this Act, the
19 board of hospital managers of the El Paso County Hospital District
20 shall transfer to each institutional health care provider in the
21 district that provider's proportionate share of any remaining funds
22 in any local provider participation fund created by the district
23 under Section 298G.103, Health and Safety Code, as added by this
24 Act.

25 SECTION 3. If before implementing any provision of this Act
26 a state agency determines that a waiver or authorization from a
27 federal agency is necessary for implementation of that provision,

1 the agency affected by the provision shall request the waiver or
2 authorization and may delay implementing that provision until the
3 waiver or authorization is granted.

4 SECTION 4. This Act takes effect immediately if it receives
5 a vote of two-thirds of all the members elected to each house, as
6 provided by Section 39, Article III, Texas Constitution. If this
7 Act does not receive the vote necessary for immediate effect, this
8 Act takes effect September 1, 2019.
