S.B. No. 2350

A BILL TO BE ENTITLED

AN ACT

relating to the prohibited administration of certain vaccinations.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF TEXAS:

SECTION 1. Subchapter A, Chapter 161, Health and Safety Code, is amended by adding Section 161.0045 to read as follows:

Sec. 161.0045. ADMINISTRATION OF CERTAIN VACCINES PROHIBITED. A health care provider may administer a vaccine only if:

(1) the study relied on by the United States Food and Drug Administration for approval of the vaccine evaluated the safety of the vaccine against a control group that received:

(A) a placebo; or

(B) another vaccine or other substance approved by the United States Food and Drug Administration based on a study that evaluated the safety of that vaccine or substance against a control group that received a placebo for that study;

(2) the study relied on by the United States Food and Drug Administration for approval of the vaccine evaluated the safety of the vaccine for a sufficient time to identify potential autoimmune, neurological, or chronic health conditions that may arise on or after the first anniversary of the date the vaccine is administered;

(3) the vaccine has been evaluated for the vaccine's potential to:

1 (A) cause cancer;

2 (B) mutate genes;

3 (C) affect fertility or cause infertility; and

4 (D) cause autism spectrum disorder;

5 (4) the department has posted on the department's
6 Internet website a disclosure of any known injuries or diseases
7 caused by the vaccine and the rate at which the injuries or diseases
8 have occurred; and

9 (5) the chemical, pharmacological, therapeutic, and
10 adverse effects of the vaccine and the rate of injury of the vaccine
11 when administered with other vaccines have been studied and
12 verified.

13 SECTION 2. This Act takes effect September 1, 2019.
