14 interpreted to relieve the county or the city from providing the  
15 level of services provided as of the effective date of the Act  
16 enacting this chapter to the area in the district. The district is  
17 created to supplement and not to supplant county or city services

22 grade or above or below the surface, and street lighting, street  
23 landscaping, parking, and street art objects are parts of and  
24 necessary components of a street and are considered to be a street  
25 or road improvement.

26 (f) The district will not act as the agent or

1 will benefit many private interests as well as the public.

2 Sec. 3962.0105. INITIAL DISTRICT TERRITORY. (a) The  
3 district is initially composed of the territory described by  
4 Section 2 of the Act enacting this chapter.

18 bonds are outstanding as required and in the manner provided by  
19 Sections 54.601 and 54.602, Water Code.
