**IN RE: HB324** by Murr (Relating to the prosecution of the criminal offense of improper relationship between educator and student.), **As Introduced**

**No significant fiscal implication to the State is anticipated.**

The bill would amend the Penal Code to define sexual contact for the prosecution of the offense of improper relationship between an educator and student. This offense is punished as a second degree felony.

The Office of Court Administration and the Texas Department of Criminal Justice indicate the modifications outlined in the bill's provisions would not result in a significant fiscal impact. This analysis assumes the provisions of the bill addressing felony sanctions for criminal offenses would not result in a significant impact on state correctional populations or the demand for state correctional resources.

**Local Government Impact**

No significant fiscal implication to units of local government is anticipated.
