

LEGISLATIVE BUDGET BOARD
Austin, Texas

FISCAL NOTE, 86TH LEGISLATIVE REGULAR SESSION

May 17, 2019

TO: Honorable Larry Taylor, Chair, Senate Committee on Education

FROM: John McGeady, Assistant Director Sarah Keyton, Assistant Director
Legislative Budget Board

IN RE: HB496 by Gervin-Hawkins (Relating to traumatic injury response protocol and the use of bleeding control kits in public schools.), **Committee Report 2nd House, Substituted**

No significant fiscal implication to the State is anticipated.

It is assumed that the provisions of the bill relating to the placement of bleeding control kits in public schools and to required training of school personnel could be absorbed using existing resources.

Local Government Impact

The bill would require school districts and charter schools to purchase bleeding control kits. This analysis assumes each kit would cost \$60. Assuming two kits per campus, this analysis estimates a statewide cost to districts and charters of \$1.0 million in fiscal year 2020.
