**IN RE: HB510** by Wilson (Relating to enforcement of rules for certain county and municipal parks, playgrounds, historical museums, or historic or prehistoric sites; creating a criminal offense.), **As Introduced**

<b>No fiscal implication to the State is anticipated.</b>
---

The bill would amend the Local Government Code to allow certain counties and municipalities to create reasonable rules concerning the use of certain county and municipal parks, playgrounds, historical museums, or historic or prehistoric sites.

The offense created by this bill would be a Class C misdemeanor.

**Local Government Impact**

A Class C misdemeanor is punishable by a fine of not more than \$500. In addition to the fine, punishment can include up to 180 days of deferred disposition. Costs associated with enforcement and prosecution could likely be absorbed within existing resources. Revenue gain from fines imposed and collected is not anticipated to have a significant fiscal impact.
