**FISCAL NOTE, 86TH LEGISLATIVE REGULAR SESSION**

**March 16, 2019**

**TO:** Honorable James B. Frank, Chair, House Committee on Human Services

**FROM:** John McGeady, Assistant Director    Sarah Keyton, Assistant Director  
Legislative Budget Board

**IN RE: HB823** by Davis, Yvonne (Relating to an expedited on-site health inspection process for assisted living facility license applicants.), **As Introduced**

**No significant fiscal implication to the State is anticipated.**

The bill would add on-site health inspections to the list of inspection types of assisted living facility license applicants that are subject to an expedited inspection. The Health and Human Services Commission (HHSC) indicates that these changes would require application and system modifications to allow for the payment of fees related to an expedited inspection, and also to allow for the ability to refund a payment in certain circumstances. Based on LBB analysis of information provided by HHSC, these activities could be completed with existing resources.

**Local Government Impact**

No fiscal implication to units of local government is anticipated.
