FISCAL NOTE, 86TH LEGISLATIVE REGULAR SESSION

April 2, 2019

TO: Honorable Garnet Coleman, Chair, House Committee on County Affairs

FROM: John McGeady, Assistant Director Sarah Keyton, Assistant Director
Legislative Budget Board

IN RE: HB924 by Zedler (Relating to county surety bond requirements for concrete batch plants.), **As Introduced**

No fiscal implication to the State is anticipated.

The bill amends the Transportation Code to allow a commissioners court to require the owner of a concrete batch plant to post a surety bond to repair damage to a highway caused by the operation of the plant.

Local Government Impact

According to Harris County, the county does not anticipate a significant fiscal impact from the bill. While there would be some costs to the county (e.g., from auditing provisions) the county believes those costs would be absorbed within current operations.
