IN RE: HB984 by Parker (Relating to notice requirements for certain municipal fees and the process to adopt a municipal budget that includes the use of revenue from those fees.),
Committee Report 1st House, Substituted

No fiscal implication to the State is anticipated.

The bill would amend the Local Government Code to require certain notices regarding fees in proposed budgets of municipalities and would require that adoption of a budget that includes estimated revenue from a new fee or the increase of an existing fee would require a separate vote of the governing body.
