

LEGISLATIVE BUDGET BOARD
Austin, Texas

FISCAL NOTE, 86TH LEGISLATIVE REGULAR SESSION

March 3, 2019

TO: Honorable Lyle Larson, Chair, House Committee on Natural Resources

FROM: John McGeady, Assistant Director Sarah Keyton, Assistant Director
Legislative Budget Board

IN RE: HB1044 by Zwiener (Relating to permits for certain injection wells that transect a portion of the Edwards Aquifer.), **As Introduced**

<p>No significant fiscal implication to the State is anticipated.</p>
--

The bill would amend Texas Water Code to allow the Texas Commission on Environmental Quality (TCEQ), under certain circumstances, to issue a permit for the injection of fresh water into a well that transects the Edwards Aquifer that is within the external boundaries of the Barton Springs-Edwards Aquifer Conservations District. The bill would take effect immediately upon a two-thirds vote, or on September 1, 2017.

Based on the analysis of TCEQ and the Railroad Commission, duties and responsibilities associated with implementing the provisions of the bill could be accomplished using existing resources.

Local Government Impact

No fiscal implication to units of local government is anticipated.
