FISCAL NOTE, 86TH LEGISLATIVE REGULAR SESSION

April 10, 2019

TO: Honorable Charles Perry, Chair, Senate Committee on Water & Rural Affairs

FROM: John McGeady, Assistant Director Sarah Keyton, Assistant Director
Legislative Budget Board

IN RE: HB1066 by Ashby (Relating to extensions of an expired permit for the transfer of groundwater from a groundwater conservation district.), **As Engrossed**

No fiscal implication to the State is anticipated.

The bill would amend the Water Code relating to extensions of expired permits for the transfer of groundwater from a groundwater conservation district.

Local Government Impact

According to Bluebonnet Groundwater Conservation District, the bill would not have a fiscal impact to the district as their permitting system ensures that a new date of issue for one permit consolidates all other permits into a uniform expiration date. To the extent that other districts follow this approach, the bill would also have no significant fiscal impact on units of local government.
