**FISCAL NOTE, 86TH LEGISLATIVE REGULAR SESSION**

**FROM:** John McGeady, Assistant Director    Sarah Keyton, Assistant Director  
Legislative Budget Board

**IN RE: HB1066** by Ashby (Relating to extensions of an expired permit for the transfer of groundwater from a groundwater conservation district.), **As Introduced**

**No fiscal implication to the State is anticipated.**

The bill would amend the Water Code relating to extensions of expired permits for the transfer of groundwater from a groundwater conservation district.

**Local Government Impact**

According to Bluebonnet Groundwater Conservation District, the bill would not have a fiscal impact to the district as their permitting system ensures that a new date of issue for one permit consolidates all other permits into a uniform expiration date. To the extent that other districts follow this approach, the bill would also have no significant fiscal impact on units of local government.
