**March 12, 2019**

**TO:** Honorable Poncho Nevárez, Chair, House Committee on Homeland Security & Public Safety

**FROM:** John McGeady, Assistant Director    Sarah Keyton, Assistant Director  
Legislative Budget Board

**IN RE: HB1078** by Oliverson (Relating to waiving certain driver's license and handgun license fees for applicants who hold a certification in cardiopulmonary resuscitation.), **As Introduced**

**The fiscal implications of the bill cannot be determined at this time as there would be an indeterminate loss of state fee revenue associated with the provisions of the bill.**

According to the Comptroller of Public Accounts, the fiscal impact of the bill cannot be determined because the Department of Public Safety (DPS) does not have data pertaining to the number of applicants that apply for an original or renewed driver license or a handgun license that hold certificates in cardiopulmonary resuscitation. Absent this data on the total number of applicants subject to the bill's provisions, the cost to DPS and associated reduction in state fee revenue is unknown.

**Local Government Impact**

No significant fiscal implication to units of local government is anticipated.
