FISCAL NOTE, 86TH LEGISLATIVE REGULAR SESSION

March 13, 2019

TO: Honorable Terry Canales, Chair, House Committee on Transportation

FROM: John McGeady, Assistant Director Sarah Keyton, Assistant Director
Legislative Budget Board

IN RE: HB1087 by Kuempel (Relating to an exception to the titling requirement for certain vehicles; creating a criminal offense.), **As Introduced**

No significant fiscal implication to the State is anticipated.

The bill would amend the Transportation Code by adding Section 501.098 to create an exception to titling requirements for certain vehicles purchased by a metal recycler, salvage vehicle dealer, or used automotive parts recyclers. The bill would require these entities to submit to the Department of Motor Vehicles (DMV) information necessary for reporting to the National Motor Vehicle Title Information System (NMVTIS). The bill would require DMV to notify a recycler or dealer if a purchased vehicle has been reported stolen. The bill would amend Section 501.109 to classify violations of certain requirements under proposed Section 501.098 as misdemeanor and/or state jail felony offenses.

Based on the information and analysis provided by DMV, it is assumed any costs or duties associated with implementing the provisions of the bill could be absorbed within the agency's existing resources. This analysis assumes the provisions of the bill addressing felony sanctions for criminal offenses would not result in a significant impact on state correctional agencies.

Local Government Impact

According to the Texas Association of Counties, no significant fiscal impact to counties is anticipated.
