**FISCAL NOTE, 86TH LEGISLATIVE REGULAR SESSION**

**March 10, 2019**

**TO:** Honorable Dan Huberty, Chair, House Committee on Public Education

**FROM:** John McGeady, Assistant Director    Sarah Keyton, Assistant Director  
Legislative Budget Board

**IN RE: HB1093** by Moody (Relating to the limitation period for filing a complaint and requesting a special education impartial due process hearing.), **As Introduced**

**No significant fiscal implication to the State is anticipated.**

The bill would prohibit TEA from allowing a shorter period for filing a complaint alleging a violation of state or federal education laws or requesting a due process hearing than the maximum timeline authorized under federal law.

It is assumed that the bill could be implemented with existing resources.

**Local Government Impact**

To the extent that the bill results in more complaints and hearings, school districts and charter schools could see increased costs.
