April 3, 2019

TO: Honorable Poncho Nevárez, Chair, House Committee on Homeland Security & Public Safety

FROM: John McGeady, Assistant Director Sarah Keyton, Assistant Director
Legislative Budget Board

IN RE: HB1168 by Anchia (relating to the offense of possessing a weapon in a secured area of an airport.), **Committee Report 1st House, Substituted**

No significant fiscal implication to the State is anticipated.

The bill would amend the Penal Code as it relates to the definition of a secured area of an airport where a person commits an offense for possession of certain weapons, and would provide a defense to prosecution for certain persons under specific circumstances.

The Office of Court Administration indicates the modifications outlined in the bill's provisions will not result in a significant fiscal impact. The provisions of the bill addressing felony sanctions for criminal offenses would not result in a significant impact on state correctional populations or on the demand for state correctional resources.

Local Government Impact

No significant fiscal implication to units of local government is anticipated.
