Austin, Texas

FISCAL NOTE, 86TH LEGISLATIVE REGULAR SESSION

March 10, 2019

TO: Honorable Dan Huberty, Chair, House Committee on Public Education

FROM: John McGeady, Assistant Director Sarah Keyton, Assistant Director
Legislative Budget Board

IN RE: HB1276 by Rosenthal (Relating to the assignment of a public school student to an uncertified teacher.), **As Introduced**

No significant fiscal implication to the State is anticipated.

It is assumed that the provisions of the bill relating to the assignment of a first through sixth grade student to a teacher without an appropriate certificate and less than one year of experience could be absorbed using existing resources.

Local Government Impact

During the 2017-18 school year, 196 school districts had an enrollment of 5,000 or more students and would have been subject to the bill's assignment provisions. Administrative costs to implement the assignment provisions would vary from district to district and would depend on how many teachers in the district had less than one year of experience and did not hold appropriate certification that were teaching the foundation curriculum in grades one through six.
