Austin, Texas

FISCAL NOTE, 86TH LEGISLATIVE REGULAR SESSION

April 12, 2019

TO: Honorable Drew Springer, Chair, House Committee on Agriculture & Livestock

FROM: John McGeady, Assistant Director Sarah Keyton, Assistant Director
Legislative Budget Board

IN RE: HB1284 by Lambert (Relating to egg grading.), **As Introduced**

No significant fiscal implication to the State is anticipated.

The bill would amend the Agriculture Code to allow for the sale of eggs produced by a person's own flock if the eggs are labeled "ungraded." The bill would require the Texas Department of Agriculture (TDA) to allow persons who remit less than \$360 in special fees on eggs for the year to remit those fees annually rather than monthly. Based on the analysis of TDA and the Comptroller of Public Accounts, duties and responsibilities associated with implementation of the bill could be accomplished using existing resources.

Local Government Impact

No significant fiscal implication to units of local government is anticipated.
