

LEGISLATIVE BUDGET BOARD
Austin, Texas

FISCAL NOTE, 86TH LEGISLATIVE REGULAR SESSION

April 16, 2019

TO: Honorable Dustin Burrows, Chair, House Committee on Ways & Means

FROM: John McGeady, Assistant Director Sarah Keyton, Assistant Director
Legislative Budget Board

IN RE: HB1313 by King, Phil (Relating to the authority of the chief appraiser of an appraisal district to increase the appraised value of property in the tax year following the year in which the appraised value of the property is lowered as a result of a protest or appeal.), **As Introduced**

No significant fiscal implication to the State is anticipated.

The bill would amend Chapter 23 of the Tax Code, regarding appraisal methods and procedures, to increase the burden of proof from substantial evidence to clear and convincing evidence if the value was lowered under Tax Code, Subtitle F, relating to remedies, in the prior year and the chief appraiser proposes to raise the value in the following year.

Increasing the standard of evidence from substantial to clear and convincing on increases in the appraised value of a property if the appraised value was lowered in the preceding year would increase the burden of proof and limit increases in appraised values resulting in a cost to local taxing units, and to the state through the school funding formulas. Current law specifying the evidence required by the chief appraiser to meet the burden of proof in an appraisal review board protest or district court appeal would not be changed under the bill. Consequently, although the value of properties that would be affected is unknown, the cost is not expected to be significant.

The bill would take effect January 1, 2020.

Local Government Impact

No significant fiscal implication to units of local government is anticipated.
