FISCAL NOTE, 86TH LEGISLATIVE REGULAR SESSION

May 23, 2019

TO: Honorable Dennis Bonnen, Speaker of the House, House of Representatives

FROM: John McGeady, Assistant Director Sarah Keyton, Assistant Director
Legislative Budget Board

IN RE: HB1355 by Button (Relating to the issuance and execution of a search warrant to collect a blood specimen from a person arrested for certain intoxication offenses.), **As Passed 2nd House**

<p>No significant fiscal implication to the State is anticipated.</p>
--

The bill would amend the Code of Criminal Procedure as it relates to the execution of a search warrant for taking a blood specimen from certain persons suspected of committing certain intoxication offenses. Under the provisions of the bill, a warrant to collect a blood specimen from those suspected of certain intoxication offenses may be executed by any law enforcement officer authorized to make an arrest in the county of execution and in any county adjacent to the county in which the warrant was issued.

The bill would allow a justice of the peace to issue a search warrant for the collection of a blood sample from a person arrested for certain intoxication offenses if a magistrate is unavailable or exigent circumstances exist.

This analysis assumes the provisions of the bill would not result in a significant impact on the demand for state correctional resources.

The bill would take effect September 1, 2019.

Local Government Impact

According to the Texas Association of Counties, no significant fiscal implication to counties is anticipated.
