**IN RE: HB1471** by Darby (Relating to a school security volunteer program.), **As Introduced**

**No significant fiscal implication to the State is anticipated.**

The bill would authorize school districts and charter schools to establish school safety volunteer programs in which certain eligible individuals would be authorized to serve as school safety volunteers and provide school security services.

It is assumed that the provisions of the bill relating to school security volunteer programs could be absorbed using existing resources.

**Local Government Impact**
