Austin, Texas

FISCAL NOTE, 86TH LEGISLATIVE REGULAR SESSION

April 2, 2019

TO: Honorable John Zerwas, Chair, House Committee on Appropriations

FROM: John McGeady, Assistant Director Sarah Keyton, Assistant Director
Legislative Budget Board

IN RE: HB1562 by Frullo (Relating to the allocation and use of the annual constitutional appropriation to certain agencies and institutions of higher education.), **As Introduced**

No fiscal implication to the State is anticipated.

If enacted, the bill would, beginning in fiscal year 2021, reallocate the annual Higher Education Fund General Revenue appropriations based on Texas Higher Education Coordinating Board recommendations. Article VII, Section 17(d) of the Texas Constitution requires that the Legislature review the allocation formula after five years of each 10-year allocation period. Texas Education Code Section 62.022 requires that the Texas Higher Education Coordinating Board conduct a study and present recommendations to the Legislature on the reallocation formula. Recommendations followed input from all institutions that receive these funds.

The total appropriations for the biennium would be equal to the 2018-19 biennium amounts. The fiscal year 2020 allocations to each individual institution would match those of the previous biennium and the allocations for fiscal year 2021 would be adjusted to account for updates in formula funding, space deficit data, and campus condition index values.

Additionally, the bill would allow institutions to use HEF funds to purchase or contract for cloud computing services or other intangible assets with an expected useful life or for a contract period of more than one year.

Local Government Impact

No fiscal implication to units of local government is anticipated.
