**FISCAL NOTE, 86TH LEGISLATIVE REGULAR SESSION**

**TO:** Honorable Dan Huberty, Chair, House Committee on Public Education

**FROM:** John McGeady, Assistant Director    Sarah Keyton, Assistant Director  
Legislative Budget Board

**IN RE: HB1632** by Bell, Keith (Relating to students eligible to receive compensatory, intensive, and accelerated instructional services.), **As Introduced**

**No fiscal implication to the State is anticipated.**

**Local Government Impact**

The bill would require school districts to provide compensatory, intensive, or accelerated instructional services to additional students who have been identified as at risk of dropping out of school. Districts would not receive additional state aid to serve the increased number of students. Therefore, this analysis assumes districts may need to restructure the current implementation of this program or incur additional costs to ensure they are serving all eligible students.
