FISCAL NOTE, 86TH LEGISLATIVE REGULAR SESSION

May 2, 2019

TO: Honorable Kelly Hancock, Chair, Senate Committee on Business & Commerce

FROM: John McGeady, Assistant Director Sarah Keyton, Assistant Director
Legislative Budget Board

IN RE: HB1742 by Smithee (Relating to the mediation of the settlement of certain health benefit claims involving balance billing by out-of-network laboratories.), **As Engrossed**

No significant fiscal implication to the State is anticipated.

The bill would amend the Insurance Code relating to the mediation of the settlement of certain health benefit claims involving balance billing by out-of-network laboratories. Based on information provided by the Texas Department of Insurance, State Office of Administrative Hearings, Teacher Retirement System, and Texas Medical Board, this analysis assumes that the duties and responsibilities associated with implementing the provisions of the bill could be accomplished by utilizing existing resources.

While additional costs to a health plan may result in the need for higher contribution rates from the state or members, this analysis assumes that costs could be absorbed using existing resources at the Employees Retirement System.

The bill applies only to a claim for health care services provided on or after January 1, 2020. The bill would take effect on September 1, 2019.

Local Government Impact

No fiscal implication to units of local government is anticipated.
