The bill would amend Chapter 501 of the Transportation Code, relating to titling of vehicles, to establish the definition of a "flood vehicle" and establish certain specifications for the issuance of a salvage vehicle title, salvage record of title, nonrepairable vehicle title, or record of title for a nonrepairable vehicle by the Department of Motor Vehicles (DMV).

Based on the analysis provided by DMV, it is assumed any costs or duties associated with implementing the bill could be absorbed within the agency's existing resources.

**Local Government Impact**

No significant fiscal implication to units of local government is anticipated.
