

LEGISLATIVE BUDGET BOARD
Austin, Texas

FISCAL NOTE, 86TH LEGISLATIVE REGULAR SESSION

April 9, 2019

TO: Honorable Chris Turner, Chair, House Committee on Higher Education

FROM: John McGeady, Assistant Director Sarah Keyton, Assistant Director
Legislative Budget Board

IN RE: **HB2193** by Muñoz, Jr. (Relating to authorization by the Texas Higher Education Coordinating Board for certain public junior colleges to offer baccalaureate degree programs.), **As Introduced**

No significant fiscal implication to the State is anticipated.

The bill would amend the Education Code relating to authorization by the Texas Higher Education Coordinating Board for certain public junior colleges to offer baccalaureate degree programs.

The bill could result in a net decrease in General Revenue due to decreased formula funding at general academic institutions and health related institutions, which could be partially offset by increased formula funding at public junior colleges in fiscal years 2022-23. The bill could result in a net decrease in tuition and fee revenue at general academic institutions and health related institutions due to estimated declines in enrollment in certain programs. The net change in General Revenue and institutional funds for institutions of higher education would depend on the number of baccalaureate degree programs offered by public junior colleges and the number of students who choose to enroll in those programs instead of programs at general academic institutions or health related institutions. This analysis assumes that because the number of public junior colleges that would be impacted by the bill is limited, the fiscal implication to the State would not be significant.

Local Government Impact

No significant fiscal implication to units of local government is anticipated.
