FISCAL NOTE, 86TH LEGISLATIVE REGULAR SESSION

May 25, 2019

TO: Honorable Dan Patrick, Lieutenant Governor, Senate
Honorable Dennis Bonnen, Speaker of the House, House of Representatives

FROM: John McGeady, Assistant Director Sarah Keyton, Assistant Director
Legislative Budget Board

IN RE: **HB2327** by Bonnen, Greg (Relating to preauthorization of certain medical care and health care services by certain health benefit plan issuers and to the regulation of utilization review, independent review, and peer review for health benefit plan and workers' compensation coverage.), **Conference Committee Report**

<p>No significant fiscal implication to the State is anticipated.</p>
--

This bill would amend the Insurance Code and Labor Code relating to preauthorization of certain medical care and health care services by certain health benefit plan issuers and to the regulation of utilization review, independent review, and peer review for health benefit plan and workers' compensation coverage.

Based on information provided by the Texas Department of Insurance, Employees Retirement System, State Office of Risk Management, Texas Department of Transportation, The University of Texas System Administration, and Texas A&M University System Administration, this analysis assumes that the duties and responsibilities associated with implementing the provisions of the bill could be accomplished by utilizing existing resources.

According to the Health and Human Services Commission (HHSC), federal rule addresses preauthorization requirements for managed care organizations that contract to provide for Medicaid and Children's Health Insurance Program (CHIP) services; therefore, it is assumed these provisions would not apply to Medicaid or CHIP and there would be no fiscal impact to HHSC. If the provisions were applied to those programs, HHSC may need to increase managed care premiums to account for the additional administrative burden, which would result in a cost that could be significant.

The bill applies only to a request for preauthorization of medical care or health care services made on or after January 1, 2020. The bill applies only to utilization, independent, or peer review that was requested on or after January 1, 2020. The bill would take effect on September 1, 2019.

Local Government Impact

No fiscal implication to units of local government is anticipated.
