

LEGISLATIVE BUDGET BOARD
Austin, Texas

FISCAL NOTE, 86TH LEGISLATIVE REGULAR SESSION

March 25, 2019

TO: Honorable Eddie Lucio III, Chair, House Committee on Insurance

FROM: John McGeady, Assistant Director Sarah Keyton, Assistant Director
Legislative Budget Board

IN RE: HB2327 by Bonnen, Greg (Relating to preauthorization of certain medical care and health care services by certain health benefit plan issuers.), **As Introduced**

<p>No significant fiscal implication to the State is anticipated.</p>
--

This bill would amend the Insurance Code relating to preauthorization of certain medical care and health care services by certain health benefit plan issuers. Based on information provided by the Texas Department of Insurance and Employees Retirement System, this analysis assumes that the duties and responsibilities associated with implementing the provisions of the bill could be accomplished by utilizing existing resources.

According to the Health and Human Services Commission (HHSC), federal rule addresses preauthorization requirements for managed care organizations that contract to provide for Medicaid and Children's Health Insurance Program (CHIP) services; therefore, it is assumed these provisions would not apply to Medicaid or CHIP and there would be no fiscal impact to HHSC. If the provisions were applied to those programs, HHSC may need to increase managed care premiums to account for the additional administrative burden, which would result in a cost that could be significant.

The bill applies only to a request for preauthorization of medical care or health care services made on or after September 1, 2019. The bill would take effect on September 1, 2019.

Local Government Impact

No fiscal implication to units of local government is anticipated.
