FISCAL NOTE, 86TH LEGISLATIVE REGULAR SESSION

March 24, 2019

TO: Honorable Dan Huberty, Chair, House Committee on Public Education

FROM: John McGeady, Assistant Director Sarah Keyton, Assistant Director
Legislative Budget Board

IN RE: **HB2655** by Rosenthal (Relating to an active shooter emergency protocol for public school districts and required active shooter training for school district peace officers and school resource officers.), **As Introduced**

<p>No significant fiscal implication to the State is anticipated.</p>
--

It is assumed that the provisions of the bill relating to active shooter emergency protocols for public school districts could be absorbed using existing resources.

Local Government Impact

The bill would require school districts to include protocols for responding to active shooters in their multihazard emergency operations plans. School resource and peace officers would have to complete active shooter response training.

School districts could see increased training costs for school resource and peace officers.
