Fiscal Analysis

The bill would amend Chapter 485 of the Government Code, regarding Music, Film, Television, and Multimedia Industries, by adding subsection C to create the Texas Music Incubator Rebate

Program.

The bill would establish the Texas Music Incubator Program to be administered by the Office of the Governor. The program would allow eligible music venues and eligible music festival promoters to apply for a rebate of the Mixed Beverage Gross Receipts Tax and sales taxes paid on the sale of alcoholic beverages in the preceding fiscal year, up to a maximum of \$100,000. The Comptroller would be required to issue a warrant for all granted rebates at the direction of the Governor's Office. All warrants would be drawn on the newly created Texas Music Incubator Account in the General Revenue Fund. The program may provide rebates until all the money in the Texas Music Incubator Account is exhausted. The Governor's Office would be required to establish the program by September 1, 2020 and would begin accepting applications September 1, 2020.

The bill would amend Section 183 of the Tax Code to direct the Comptroller to deposit \$10,000,000 of Mixed Beverage Gross Receipts Tax collections and \$100,000 of sales tax collections in to the newly created Texas Music Incubator Account.

The bill would take effect September 1, 2019.

Methodology

The bill requires the Comptroller to direct \$10,000,000 of Mixed Beverage Gross Receipts Tax collections and \$100,000 of sales tax collections that would have otherwise gone to undedicated General Revenue to the newly created Texas Music Incubator Account.

This estimate assumes that the entire amount directed to the Texas Music Incubator Account will be exhausted each year.

The Governor's Office estimates that there would be administrative costs associated with implementing the provisions of the bill, however this analysis assumes those costs to be absorbable.

This legislation would do one or more of the following: create or recreate a dedicated account in the General Revenue Fund, create or recreate a special or trust fund either in, with, or outside of the Treasury, or create a dedicated revenue source. Legislative policy, implemented as Government Code 403.095, consolidated special funds (except those affected by constitutional, federal, or other restrictions) into the General Revenue Fund as of August 31, 1993 and eliminated all applicable statutory revenue dedications as of August 31, 1995. Each subsequent Legislature has reviewed bills that affect funds consolidation. The fund, account, or revenue dedication included in this bill would be subject to funds consolidation review by the current Legislature.

Local Government Impact

No significant fiscal implication to units of local government is anticipated.
