FROM: John McGeady, Assistant Director Sarah Keyton, Assistant Director

IN RE: HB2929 by Leach (Relating to hospital liens.), **As Introduced**

No fiscal implication to the State is anticipated.

The bill would amend the Property Code to clarify certain standards for determining when an injured individual is considered admitted to a hospital.

Local Government Impact

According to the Texas Association of Counties (TAC), the bill could have a positive fiscal impact on those counties that operate hospitals. However, TAC cannot determine the extent of that impact at this time
