FISCAL NOTE, 86TH LEGISLATIVE REGULAR SESSION

April 22, 2019

TO: Honorable Dan Huberty, Chair, House Committee on Public Education

FROM: John McGeady, Assistant Director Sarah Keyton, Assistant Director
Legislative Budget Board

IN RE: HB3026 by Talarico (Relating to the assignment of certain behavioral health professionals to a public school campus.), **As Introduced**

No fiscal implication to the State is anticipated.

Local Government Impact

The bill would amend the Education Code to require school districts to maintain certain ratios of behavioral health professionals to students. The bill would further require behavioral health professionals to provide certain counseling and receive certain training. The Texas Education Agency assumes school districts would incur staffing costs to comply with the bill's requirements. This analysis assumes costs would vary by district based on current ratios of behavioral health professionals to students.
