

LEGISLATIVE BUDGET BOARD
Austin, Texas

FISCAL NOTE, 86TH LEGISLATIVE REGULAR SESSION

April 5, 2019

TO: Honorable Senfronia Thompson, Chair, House Committee on Public Health

FROM: John McGeady, Assistant Director Sarah Keyton, Assistant Director
Legislative Budget Board

IN RE: **HB3092** by Paul (Relating to notice of an epizootic infectious disease occurring in an animal shelter.), **Committee Report 1st House, Substituted**

No fiscal implication to the State is anticipated.

The bill would amend the Health and Safety Code to require certain notices of epizootic infectious disease occurring in an animal shelter.

According to the Department of State Health Services (DSHS), because the diseases of concern (e.g., parvovirus, canine distemper, and *feline rhinotracheitis*) are not transmissible to humans the bill would have no impact on the agency.

Local Government Impact

According to DSHS, no fiscal implication to units of local government is anticipated.

According to Harris County, no significant fiscal impact from the bill is anticipated.

According to Williamson County, while the fiscal effect of the bill cannot be determined the bill could create a negative perception about the health of animals adopted from shelters.
