

LEGISLATIVE BUDGET BOARD
Austin, Texas

FISCAL NOTE, 86TH LEGISLATIVE REGULAR SESSION

March 25, 2019

TO: Honorable Eddie Lucio III, Chair, House Committee on Insurance

FROM: John McGeady, Assistant Director Sarah Keyton, Assistant Director
Legislative Budget Board

IN RE: HB3299 by Lucio III (Relating to the applicability of mediation requirements for balance billing to certain health benefit plans.), **As Introduced**

No significant fiscal implication to the State is anticipated.

The bill would amend the Insurance Code relating to the applicability of mediation requirements for balance billing to certain health benefit plans.

The fiscal implications of the bill relating to the uncertainty of the number of Employee Retirement Income Security Act of 1974 (ERISA) plans that would elect to mediation cannot be determined at this time. Thus, this analysis assumes that no ERISA plans would opt into mediation and no significant fiscal implication to the State is anticipated. Depending on the number of ERISA plans that opt into mediation, the fiscal implication to the State could be significant for the Texas Department of Insurance and State Office of Administrative Hearings.

Based on information provided by the Texas Medical Board, this analysis assumes that the duties and responsibilities associated with implementing the provisions of the bill could be accomplished by utilizing existing resources.

Local Government Impact

No fiscal implication to units of local government is anticipated.
