April 14, 2019

TO: Honorable Dan Huberty, Chair, House Committee on Public Education

FROM: John McGeady, Assistant Director Sarah Keyton, Assistant Director
Legislative Budget Board

IN RE: **HB3322** by Burns (Relating to requiring a school district to post on the district's Internet website the contact information of the school administrator primarily responsible for student discipline at a district campus.), **Committee Report 1st House, Substituted**

No significant fiscal implication to the State is anticipated.

It is assumed that the provisions of the bill relating to requiring a school district to post on the district's Internet website the contact information of the school administrator primarily responsible for student discipline at a district campus could be absorbed using existing resources.

Local Government Impact

The bill would require districts to post on their internet website contact information of each school administrator primarily responsible for student discipline at a district campus.
