FISCAL NOTE, 86TH LEGISLATIVE REGULAR SESSION

April 7, 2019

TO: Honorable Dade Phelan, Chair, House Committee on State Affairs

FROM: John McGeady, Assistant Director Sarah Keyton, Assistant Director
Legislative Budget Board

IN RE: **HB3362** by Hernandez (Relating to the consideration of ownership interests of certain persons with a disability in determining whether a business is a historically underutilized business for purposes of state contracting.), **As Introduced**

<p>No significant fiscal implication to the State is anticipated.</p>
--

The bill would add persons with a disability to the list of economically disadvantaged persons. The bill would require the Comptroller of Public Accounts to adopt rules to provide goals for increasing contract awards by the Comptroller and other state agencies with businesses that are at least 51 percent owned or owned, operated, and controlled by one or more persons with a disability. Based on the analysis of the Comptroller, any costs associated with implementation of the bill could be absorbed within existing resources.

Local Government Impact

No fiscal implication to units of local government is anticipated.
