FISCAL NOTE, 86TH LEGISLATIVE REGULAR SESSION

April 15, 2019

TO: Honorable Dan Huberty, Chair, House Committee on Public Education

FROM: John McGeady, Assistant Director Sarah Keyton, Assistant Director
Legislative Budget Board

IN RE: HB3712 by Bucy (Relating to the inclusion of information about the process of voting as part of the social studies curriculum requirements for public high school students.), **As Introduced**

No significant fiscal implication to the State is anticipated.

It is assumed that the provisions of the bill relating to the inclusion of information about the process of voting as part of the social studies curriculum requirements for public high school students could be absorbed using existing resources.

Local Government Impact

The bill would require county governments to assist and cooperate with school districts to provide students with exposure to and experience with the specific voting machines used by the county. Costs to counties will vary, but may be significant.
