Austin, Texas

FISCAL NOTE, 86TH LEGISLATIVE REGULAR SESSION

April 29, 2019

TO: Honorable Terry Canales, Chair, House Committee on Transportation

FROM: John McGeady, Assistant Director Sarah Keyton, Assistant Director
Legislative Budget Board

IN RE: **HB3760** by Guillen (relating to the issuance of buyer's temporary tags for vehicles sold by governmental agencies.), **Committee Report 1st House, Substituted**

No significant fiscal implication to the State is anticipated.

Based on analysis by the Texas Facilities Commission, it is assumed that the provisions of the bill relating to temporary tags for surplus vehicles could be absorbed using existing resources. Information provided by the Department of Motors indicates one-time technology costs, but this analysis assumes that these can be absorbed within existing agency resources.

Local Government Impact

The bill would authorize political subdivisions to provide buyer's temporary tags with the sale of any surplus vehicle. The fiscal implications of the bill on local government cannot be determined at this time.
