Austin, Texas

FISCAL NOTE, 86TH LEGISLATIVE REGULAR SESSION

April 2, 2019

TO: Honorable Drew Springer, Chair, House Committee on Agriculture & Livestock

FROM: John McGeady, Assistant Director Sarah Keyton, Assistant Director
Legislative Budget Board

IN RE: HB3766 by Burrows (Relating to the storage of grapes in a public warehouse.),
Committee Report 1st House, Substituted

No significant fiscal implication to the State is anticipated.

The bill would amend the Agriculture Code to require a public warehouse operator to issue a receipt to any person who deposits grapes in a warehouse and requests a receipt. The bill would exempt from regulation any grape byproducts, including byproducts with an alcohol content, until the product is removed from a warehouse or mixed with another ingredient. Based on the analysis of the Texas Department of Agriculture and the Alcoholic Beverage Commission, duties and responsibilities associated with implementing the provisions of the bill could be accomplished using existing resources.

Local Government Impact

No significant fiscal implication to units of local government is anticipated.
