FISCAL NOTE, 86TH LEGISLATIVE REGULAR SESSION

April 2, 2019

TO: Honorable Terry Canales, Chair, House Committee on Transportation

FROM: John McGeady, Assistant Director Sarah Keyton, Assistant Director
Legislative Budget Board

IN RE: HB3767 by Nevárez (Relating to the maintenance of certain roads near an international border.), **As Introduced**

No significant fiscal implication to the State is anticipated.

The bill would amend Chapter 250 of the Transportation Code to require the Texas Department of Transportation (TXDOT) to ensure that a route on the state highway system, including FM 1021, between Eagle Pass and Laredo is sufficiently maintained to allow for economic development and the provision of homeland security along the route.

Based on information provided by TxDOT, it is assumed maintenance of the route on the state highway system is currently accomplished using the agency's existing State Highway Fund appropriations. No significant fiscal or operational impact to the agency is anticipated.

Local Government Impact

No fiscal implication to units of local government is anticipated.
