Austin, Texas

FISCAL NOTE, 86TH LEGISLATIVE REGULAR SESSION

April 15, 2019

TO: Honorable Dan Huberty, Chair, House Committee on Public Education

FROM: John McGeady, Assistant Director Sarah Keyton, Assistant Director
Legislative Budget Board

IN RE: HB3882 by Wilson (Relating to safety training for certain public school extracurricular activities.), **As Introduced**

No fiscal implication to the State is anticipated.

The bill would amend the Education Code relating to safety training for certain public school extracurricular activities. Under provisions of the bill, the University Interscholastic League (UIL), rather than the Commissioner of Education, would have the responsibility to develop and adopt an extracurricular activity safety training program. The bill also includes language that UIL rather than a school district shall provide training to students participating in extracurricular athletic activity. Based on information provided by The University of Texas System, UIL is already performing the requirements of the bill, therefore there would be no impact to The University of Texas at Austin.

Local Government Impact

No fiscal implication to units of local government is anticipated.
