

LEGISLATIVE BUDGET BOARD
Austin, Texas

FISCAL NOTE, 86TH LEGISLATIVE REGULAR SESSION

May 19, 2019

TO: Honorable Lois W. Kolkhorst, Chair, Senate Committee on Health & Human Services

FROM: John McGeady, Assistant Director Sarah Keyton, Assistant Director
Legislative Budget Board

IN RE: **HB3980** by Hunter (Relating to a requirement that the Statewide Behavioral Health Coordinating Council prepare a report regarding suicide rates in this state and state efforts to prevent suicides.), **Committee Report 2nd House, Substituted**

No significant fiscal implication to the State is anticipated.

The bill would require the Health and Human Services Commission (HHSC), in conjunction with the Department of State Health Services (DSHS), to prepare a summary report on the prevalence of suicide in the state and state policies and programs across state systems and agencies to prevent suicide. To the extent practicable, the statewide and regional data on the prevalence of suicide-related events in the report would include information on individuals' age, gender, and status as either active-duty military or military veteran. The report would be due not later than May 1, 2020 to the Statewide Behavioral Health Coordinating Council (council), Governor, Lieutenant Governor, Speaker of the House of Representatives, and each standing legislative committee with primary jurisdiction over health and mental health.

The council would use the summary report and stakeholder input to prepare a legislative report on suicide that identifies opportunities and makes recommendations for state agencies to improve suicide-related data collection, use data to guide and inform suicide prevention policy, and decrease suicide in the state while targeting the highest categories of risk. The council's legislative report would be due not later than September 1, 2020.

DSHS, HHSC, and institutions of higher education that are members of the council indicate that implementing the provisions of the bill would not result in a significant cost.

Local Government Impact

No significant fiscal implication to units of local government is anticipated.
