**April 22, 2019**

**TO:** Honorable Dan Huberty, Chair, House Committee on Public Education

**FROM:** John McGeady, Assistant Director    Sarah Keyton, Assistant Director  
Legislative Budget Board

**IN RE:** **HB4094** by Beckley (Relating to school district grace period policies and the provision of meals to public school students with insufficient balances on prepaid meal cards or meal accounts.), **As Introduced**

**No significant fiscal implication to the State is anticipated.**

It is assumed that the provisions of the bill relating to school district grace period policies and the provision of meals to public school students with insufficient balances on prepaid meal cards or meal accounts could be absorbed using existing resources.

**Local Government Impact**

The bill may have a fiscal impact on school districts, depending on the option selected for serving food to students with a negative balance, additional parental contact requirements, and the amount of monetary losses that could be offset by private donations.
