FISCAL NOTE, 86TH LEGISLATIVE REGULAR SESSION

April 15, 2019

TO: Honorable Dan Huberty, Chair, House Committee on Public Education

FROM: John McGeady, Assistant Director Sarah Keyton, Assistant Director
Legislative Budget Board

IN RE: HB4270 by Wu (Relating to the authority of a municipal management district to provide public education facilities and public education-related supplemental services.), **As Introduced**

No fiscal implication to the State is anticipated.

The bill would amend the Local Government Code to extend an existing authorization for municipal management districts to provide certain services to include public education facilities.

According to the Texas Education Agency (TEA), no fiscal implication to the State is anticipated.

Local Government Impact

According to TEA, the bill could decrease costs of public schools that benefit from municipally funded education-related facilities and supplemental services (such as transportation of public school students). Such cost-savings are, however, too speculative to estimate.

According to the Texas Municipal League, the bill would not have a significant fiscal impact on cities.
